

Specialist Schools Trust: 2Simple Software Joint Project

Developing Learning Resources to support the work of the National Strategies

Heading	Brief notes only
Name of school	Colerne Primary School
Address	Quarry Lane, Colerne, Chippenham, Wilts SN14 8DU
Title of unit	Poetry (2Weeks)
Year group and term	Year 1/2 Term 3
Curriculum areas covered by work	Literacy
Main learning outcomes of unit of work	To be able to write own verses in given structure Y2 To be able to substitute words or lines Y1
Description of work	Children learned 'There was an Old Woman who swallowed..' they had to innovate own words/lines and verses.
Brief description of how the ICT was embedded in the teaching of the unit	2 Create software used to record and enhance their work with graphics and sound effects.
How did the use of ICT help the child's learning?	The children were very excited by the possibilities that 2Create offered them. Their poems were brought to life by the moving graphics and the sounds that could accompany them.
Would you do anything differently next time?	We would record our own voices to create sound effects as at the time our suite did not afford us the possibility due to equipment issues.
Other supporting resources	Interactive Whiteboard used to create a story map to help embed the poem.
